LETTER OF HIS HOLINESS POPE FRANCIS
TO THE BISHOPS OF INDIA

Dear Brother Bishops,

1. The remarkable varietas Ecclesiarum, the result of a long historical, cultural, spiritual and disciplinary development, constitutes a treasure of the Church, regina in vestitu deaurato circumdata variegate (cf. Ps 44 and Leo XIII, Orientalium Dignitas), who awaits her groom with the fidelity and patience of the wise virgin, equipped with an abundant supply of oil, so that the light of her lamp may enlighten all peoples in the long night of awaiting the Lord’s coming.

This variety of ecclesial life, which shines with great splendour throughout lands and nations, is also found in India. The Catholic Church in India has its origins in the preaching of the Apostle Thomas. It developed through contact with the Churches of Chaldean and Antiochian traditions and through the efforts of Latin missionaries. The history of Christianity in this great country thus led to three distinct sui iuris Churches, corresponding to ecclesial expressions of the same faith celebrated in different rites according to the three liturgical, spiritual, theological and disciplinary traditions. Although this situation has sometimes led to tensions in the course of history, today we can admire a Christian presence that is both rich and beautiful, complex and unique.

2. It is essential for the Catholic Church to reveal her face in all its beauty to the world, in the richness of her various traditions. For this reason the Congregation for the Oriental Churches, which celebrates its centenary year, having been established through the farsightedness of Pope Benedict XV in 1917, has encouraged, where necessary, the restoration of Eastern Catholic traditions, and ensured their protection, as well as respect for the dignity and rights of these ancient Churches.

3. The Second Vatican Council embraced this vision of the Church and reminded the faithful of the need to protect and preserve the treasure of the particular traditions of each Church. “Moreover, within the Church particular Churches hold a rightful place; these Churches retain their own traditions, without in any way opposing the primacy of the Chair of Peter, which presides over the whole assembly of charity (cf. Ignatius of Antioch, Ad Rom., Praef.), and protects legitimate differences, while at the same time assuring that such differences do not hinder unity but rather contribute toward it” (Lumen Gentium, 13).

4. As Lumen Gentium teaches, it is for the Bishop of Rome to promote unity in the diversity of the Body of Christ. In this task, the Roman Pontiffs faithfully interpret and apply the voice of the Second Vatican Council, which expressed the ardent desire that the Oriental Churches, venerated for their antiquity, should “flourish and with new apostolic vigour execute the task entrusted to them”.

5. Five decades ago, when the Syro-Malabar Church expanded to some central and northern parts of India with “missionary eparchies”, it was generally thought by the Latin Bishops that there should be just one jurisdiction, that is, one bishop in a particular territory. These eparchies, created from Latin dioceses, today have exclusive jurisdiction over those territories, both of the Latin and Syro-Malabar faithful. However, both in the traditional territories of the Eastern Churches, as well as in the vast area of the so-called diaspora (where these faithful have long been established), a fruitful and harmonious cooperation between Catholic bishops of the different sui iuris Churches within the same territory has taken place. This cooperation not only offers an ecclesiological justification for such a solution, but also demonstrates its pastoral benefits. In a world where large numbers of Christians are forced to migrate, overlapping jurisdictions have become customary and are increasingly effective tools for ensuring the pastoral care of the faithful while also ensuring full respect for their ecclesiastical traditions.

6. In India itself, overlapping jurisdictions should no longer be problematic, for the Church has experienced them for some time, such as in Kerala. Saint John Paul II’s Letter authorized the erection of a Syro-Malabar eparchy in the Bombay-Pune region, which became the Eparchy of Kalyan. In 2012 the Syro-Malabar Eparchy of Faridabad was erected in the region of Delhi and its neighbouring states, while the boundaries of the Eparchy of Mandya were extended in 2015 to include the metropolitan area of Bangalore. In the same year, an Eparchy and an Apostolic Exarchate were erected for the Syro-Malankar faithful, so that by these ecclesiastical circumscriptions the Syro-Malankar Church could provide pastoral care for its faithful throughout the territory.
of India. All these developments show that, albeit not without problems, the presence of a number of bishops in the same area does not compromise the mission of the Church. On the contrary, these steps have given greater impetus to the local Churches for their pastoral and missionary efforts.

7. In 2011 my predecessor Benedict XVI wished to provide for the pastoral needs of the Syro-Malabar faithful throughout India, and I confirmed his intention following the plenary session of the Congregation for the Oriental Churches in 2013. There is currently an Apostolic Visitor, in the person of Bishop Raphael Thattil, for those Syro-Malabar faithful in India who live outside their own territory, and he has provided detailed reports to the Apostolic See. This issue has been examined in meetings at the highest levels of the Church. Following these steps, I believe the time is now right to complete this process.

I have therefore authorized the Congregation for the Oriental Churches to provide for the pastoral care of the Syro-Malabar faithful throughout India by the erection of two Eparchies and by the extension of the boundaries of the two already in existence.

I decree also that the new circumscriptions, as those already in existence, be entrusted to the pastoral care of the Major Archbishop of Ernakulam-Angamaly and to the Synod of Bishops of the Syro-Malabar Church, according to the norms of the Code of Canons of the Eastern Churches.

8. I hope that my decision will be welcomed with a generous and peaceful spirit, although it may be a source of apprehension for some, since many Syro-Malabars, deprived of pastoral care in their own rite, are at present fully involved in the life of the Latin Church. I am convinced, however, that all those involved will understand that there is no need for concern: the Church’s life should not be disrupted by such a provision. Indeed it must not be negatively interpreted as imposing upon the faithful a requirement to leave the communities which have welcomed them, sometimes for many generations, and to which they have contributed in various ways. It should rather be seen as an invitation as well as an opportunity for growth in faith and communion with their sui iuris Church, in order to preserve the precious heritage of their rite and to pass it on to future generations. There is already an instruction by the Congregation for the Oriental Churches to the Eparchy of Faridabad, which indicates that a member of the Syro-Malabar faithful, by virtue of the law itself, belongs to the Syro-Malabar parish where he or she is domiciled (Code of Canons of the Eastern Churches, Can. 280 §1); yet at the same time, he or she can remain fully involved in the life and activities of the parish of the Latin Church. No dispensation is required from the law currently in force for the faithful to practice their faith serenely, but only the solicitude of both the Latin and the Syro-Malabar pastors (cf. Prot. No. 197/2014, 28 January 2016).

For perpetual Memory

Desiring to protect and promote the spiritual riches of the Oriental Churches, We now wish more particularly to take solicitous care of the faithful of the Syro-Malabar Church residing in Canada.

Consequently, having accepted the opinion of the Congregation for the Oriental Churches, and having received the advice of Our venerable brother Cardinal George Alencherry, Major Archbishop of Ernakulam-Anampally, and that of the Synod of the Syro-Malabar Bishops, and that of the President of the Conference of Bishops of Canada, We have judged it opportune to establish a new Ecclesiastical circumscription in Canada.

For this reason, in virtue of Our Apostolic Authority, We hereby erect the Syro-Malabar Apostolic Exarchate for the faithful of same Church residing in Canada, with all its own rights and obligations. We establish the see of this new ecclesiastical city in the city of Mississauga.

In relation to the establishment of this Exarchate, the appropriate customs and norms prescribed by the Code of Canons of the Oriental Churches are to be observed. Moreover, once the procedures have been completed, the customary documents are to be forwarded to the above-mentioned Congregation. Finally, We desire that Our Apostolic Constitution be valid now and in the future, anything to the contrary notwithstanding.

Given in Rome, at St. Peter’s, this sixth day of August, the Transfiguration of the Lord, in the Year of Our Lord 2015, the third of Our Pontificate.

Petrus Card. Parolin
Secretary of State

Leonardus Card. Sandri
Prefect of the Congregation for Oriental Churches

Marcellus Rossetti, Protonot. Apost.
Franciscus Di Felice, Protop. Apost.

Coat of Arms

Motto: “For the Glory of God”

It derives from Christ’s promise:

“Strive first for the kingdom of God and His righteousness, and all these things will be given to you as well” (Mt 6:33).

The Coat of Arms of Bishop Jose Kalluvelil is a blend of 8 images:

- The Twelve Stars represent Mother Mary (Revelation 12:1) and her strong mediation.
- The Worshiping Community with raised hands represents the Syro-Malabar Catholics in Canada and indicates the Bishop’s zeal for a collaborative ministry involving Clergy, Religious and all the People of God.
- The Maple Leaf signifies Canada, the nation where the faith community is called to.
- The Pierced Heart of Jesus is the symbol of God’s love which forms the faith community.
- The Hand Touching the Heart of Jesus represents St. Thomas the Apostle from whom the Syro-Malabar Church traces its origin.
- The Crosier stands for the Apostolic Leadership and pastoral care.
- The Holy Bible is the symbol of faith transmission and testimony.
- The Dove at the top represents the indwelling and empowering of the Holy Spirit to continue the Ministry of Jesus, the Good Shepherd.

Bishop is called to form the people of God after the Sacred Heart of Jesus and lead them to Heavenly Bliss. To fulfill these duties ‘For the Glory of God’ in the existing Canadian scenario he should be guided by the Word of God, anointed by the Holy Spirit and protected by Mother Mary.

The establishment of the Apostolic Exarchate heralds a new beginning for the Syro-Malabar Catholics in Canada. Our faith-journey begins with a vision based on John 10:10 - “I came that they may have life, and have it abundantly”. The vision of Christ had been fully realized and continued in the early Church. We wish to realise the same in the Canadian context. Our vision is accomplished through three phases: Form, Fortify and Evangelize.

Form:

The first phase focuses on the formation of a Christ-centered parish community by organizing the scattered Syro-Malabar Catholics through participatory pastoral plan and execution.

Fortify:

The Formed community is fortified to through selfless co-operation of individuals, families, parishes and the entire organs of the exarchate to attain ecclesial maturity.

Evangelize:

The Formed and Fortified faith community is called to evangelize by attraction.

Our hope is that the people of God may experience, live and share their faith. We invite the faithful for their individual and unique contribution towards this mission. A nurturing touch from everyone will make difference and bear fruit as we Form, Fortify and evangelize.
OUR VISION & MISSION

Our Vision

The Syro-Malabar Apostolic Exarchate of Canada is an ecclesial entity for worship and ministry where the Word of God is lived and proclaimed, the sacraments are celebrated and experienced and love is shared and nourished in order to have life, and have it abundantly.
